

圖面番號 (DRAWING NO.) SJ100491

[illegible]

Technical drawing of a mechanical part, likely a shaft or tube, showing dimensions and tolerances. The drawing includes a central section with a diameter of 1.96 and a length of 1.07. The central section is flanked by two sections with diameters of 1.07 and 1.96. The central section has a tolerance of ± 0.08 and the flanking sections have a tolerance of ± 0.07 . The drawing also shows a cross-section of the central section with a diameter of 1.96 and a tolerance of ± 0.08 . The drawing is labeled with 'C' and 'A' at the ends.

The diagram shows a top-down view of the JAE connector assembly. A central vertical dashed line indicates the center of the device. On the left side, there is a label 'PRESS MARK' with a triangle symbol pointing to a specific location on the left edge. On the right side, there are three circular callouts labeled '1', '2', and '3' pointing to the locations of the pins. The letters 'JAE' are printed on the right side of the device. The pins are shown as vertical lines extending from the bottom of the device.

[illegible]

Technical drawing of the FI-SEB connector showing side and top views with dimensions.

Side View Dimensions:

- Overall length: 0.96
- Length of the main body: 1
- Dimension of the protruding part: ± 0.1

Top View Dimensions:

- Overall width: 0.8
- Width of the main body: 1

Part Number: FI-SEB**P-HF10E

Technical drawing of the Counterpart Connector (相手側コネクタ). The drawing shows a side view of the connector with dimensions: 8.8 (length), 0.4 (height), 0.55 (thickness), and 1 (height). Labels include FI-SEB※※P-HF10E, FI-SE※※ME, and P.C.B. The text "COUNTERPART CONNECTOR" and "相手側コネクタ" are also present.
